CANONBURY TAVERN

## The Cellar Collections

Elevate your next event with our curated three-tier drinks service, designed to bring a touch of class to parties of any size. Whether you are looking for the crowd-pleasing favorites of our Cellar Select range, the sophisticated labels found in our Cellar Reserve, or the ultimate top-shelf luxury of the Cellar Elite, we have a collection to match your celebration's ambition.

Each package is meticulously portioned for groups of 15 guests, making it easy to scale your order to fit your party perfectly— simply double the package for 30 guests, triple for 45, or mix and match tiers to create your own bespoke experience. From casual get-togethers to grand milestones, we provide the premium pours; you just provide the guests.

## Our Spaces

Our bar area is perfect for cosy drinks by the fire with friends, and it's where our quiz takes place every Sunday evening.

Whether you are planning a get-together, birthday party, or engagement. The Canonbury has several bookable spots.

The team look forward to welcoming you soon!

Soak up the rays of the warmer days in our beer garden. Best enjoyed with a cold crisp glass of wine, bottled beer or one of our spritz.
